

Update for 2024/2025:

The not-for-profit **Concordia German Language Association / Verein der Deutschen Sprache Concordia / German Language School Concordia** (incorporated in 2019) offers quality German language instruction for school-aged students and also adults by qualified German language instructors.

All our students learn together with other students who have more or less the same German language level.

Classes are normally in person on Fridays from 6pm to 8pm near King St. N / Weber St. N in Waterloo / ON.

The tuition is \$500 for the school-aged students and \$600 for adults / high school students in our advanced classes for the whole school year (mid September 2024 to June 20, 2025).

We are the only school in the area (Kitchener-Waterloo-Cambridge-Guelph) offering the [German language tests and examinations](#) offered by the German government for school-aged students (similar to the French DELF/DALF).
